This conference has been hosted by:

International Council of Apostles and Prophets

*International Council of
Apostles & Prophets (ICAP)
was formally organized in October
2002 after being birthed in the spirit
of its Founder, William E. Mahiri
and its Co-founder Earl Thomas.*

*ICAP is a fellowship of non-
denominational and denominational
churches with a main objective of
providing covenant relationship for
pastors, five-fold ministries and
churches. ICAP desires to train,
equip, encourage and edify the Body
of Christ. ICAP does not seek to be
an instrument of ecclesiastical re-
straint in the sense of diminishing
the member church or ministries
unique existence, but rather to aug-
ment, affirm and
enhance the member's individual
calling and vision.*
